An appeal to the Retirees of Coal Industry

We appeal to each and every Retirees of Coal Industry to donate adequate money to Federation of Coal Industry Retired Employees Association, Nagpur so that the Federation could fight the cause of Retirees of Coal Industry such as upward revision of pension, obstructions and impediments in availing the benefits of CPRMSE, widow pension etc. The Federation is already pursuing a case in Delhi High Court since 2015 for Upward Revision of Pension. It is almost in the last/ final phases in Delhi High Court. In addition, we may have to pursue this struggle at political level as well as Supreme Court also, if required. Your generous contribution will help a long way in achieving the goal laid down before the Federation – Coal Retirees.

Money to be donated directly in the account of "Federation of Coal Industry Retired Employees Association"

Central Bank of India A/C 3360574961 IFSC CBIN0281229

With thanks and regards

R. B. Upadhyay
